

January 03, 2026

Dear Valued Members and Friends:

On behalf of the Association, I would like to sincerely thank you for your loyal support and interest in our Association! Over the past 18 months we have worked hard with many drinking water and wastewater systems across the State of Massachusetts by providing nearly 3,800 hours of onsite technical assistance, and nearly 1,000 licensed operators will have attended our quality courses and Annual Trifecta.

As you may recall, we made some changes to the Associate Membership. Beginning in January 2025, Associate Memberships now run concurrent with the Calendar Year (January 1 – December 31). We hope this streamlined process will make it less confusing. Another significant change is we are continuing with different sponsorship levels for our Associate Members. For example, your company may become a Gold, Silver, or Bronze Sponsor, should you choose to go above the regular Associate Membership. Details may be found on the 2026 Associate Annual Membership Application Form.

We cordially invite you to renew or join the many water and wastewater systems across Massachusetts, and professional businesses and firms, already members, and begin enjoying member benefits and being part of the Rural Water network. We are thrilled to share that several new systems and companies joined our Association this past year as first-time members!

Your membership dues are critical in allowing us to provide valuable services and resources to water and wastewater systems throughout Massachusetts not covered by our grant programs. Purchasing an annual membership with us also allows you to join our network of industry professionals providing services to water and wastewater systems.

To join our Association and purchase your Annual Membership, simply fill in the enclosed Associate Annual Membership Application Form and return it to us along with your payment amount, based on your membership/sponsorship preferences. If you require additional documentation, such as an invoice, please Jason Blais (jblais@massrwa.org) know and we will happily provide one for you.

We greatly appreciate your consideration in joining. Please let us know if you have any questions or if you think we can be of any service.

Sincerely,

Dave Kaczinski
Executive Director
