

June 1, 2025

Dear Valued Members and Friends:

On behalf of the Association, I would like to sincerely thank you for your loyal support and interest in our Association! Over the past 12 months we have worked hard with many drinking water and wastewater systems across the State of Massachusetts by providing over 3,000 hours of onsite technical assistance. We also have been working diligently to further develop our robust training program. This past year we have focused on offering Board-approved Certification Exam Preparatory Courses, free of charge! We estimate that by the end of June 2025, we will have offered over 300 hours of training, with over 600 licensed operators having attended our quality courses.

We cordially invite you to renew your membership or join the many water and wastewater systems across Massachusetts, and professional businesses and firms, already members, and begin enjoying member benefits. We are thrilled to share that nearly 20 systems joined our Association this past year as first-time members. Also, 15 systems returned as members as they realized the value in our Association and the networking opportunities! Our upcoming Annual Membership runs from **July 1, 2025 - June 30, 2026** for our Voting/System and Individual categories. Please read the details carefully on the Application Form.

Your membership dues are critical in allowing us to provide valuable services and resources to water and wastewater systems throughout Massachusetts not covered by our grants. Purchasing an annual membership also allows you to join our network of industry professionals (our Associate Members) and many of your colleagues at neighboring systems.

MassRWA has expert staff that can assist your system locate underground lines and leaks, treatment and distribution issues, equipment calibration, emergency management, compliance with the SDWA and the CWA, asset location, Consumer Confidence Reports, income surveys, source water protection plans, GIS & mapping services, and many more. Or, join us for any of our training sessions and Annual Trifecta. You will see the savings add up quickly and your membership dues will pay for themselves in no time! You will also receive an effective voice advocating industry wide issues both at the State and Federal levels.

To join our Association and purchase your Annual Membership, simply complete the enclosed Annual Membership Application Form and return it to us along with your payment amount based on your membership type and category. If you require additional documentation, such as an invoice, please let us know and we will happily provide one for you.

We greatly appreciate your consideration in joining. Please let us know if you have any questions or if you think we can be of any service.

Sincerely,

Dave Kaczinski  
Executive Director
